

BENEVOLENT FUND

**Women inspiring action,
transforming lives**

Report for SI RoI National Association Meeting

Saturday 3rd September 2022 in Cork

**from Clare Comerford, SI Republic of Ireland
Benevolent Fund Trustee**

Once again apologies for not being able to attend President Miriam's Event and the National Association Meeting.

Currently we have no recipients, and have had no new applications seeking support from the Benevolent Fund in Ireland. There continues to be a steady number of applications in the UK, which are submitted to me, along with my UK colleagues, for approval if appropriate.

The current balance in the SI RoI Benevolent Fund Account at the Bank of Ireland, Athlone is €1,065.61, as at 31st July 2022, following recent donations from three Clubs. Sincere thanks to these Clubs for their donations. It is much appreciated.

Once again I would ask Clubs to consider making a contribution to the SIGBI Benevolent Fund, which is available to all our members in their time of need.

Any members who would like to contact me regarding an application to the Benevolent Fund, please feel free to phone me on 087-4127062 or email Clare.comerford1@gmail.com, at any time.

Clare Comerford, SI RoI Benevolent Fund Trustee
